

Sept 09

Prayer:

Support need: we need to raise \$200/month right now. Pray that we will see 2 new churches take on our support

Several churches with out a pastor

For churches struggling with the economy

As we catch up with new commanders

Pray for our physical endurance and spiritual strength. To be an encourager to those we minister to and train.

For new churches considering starting Awana. That the leaders will help us raise a generation that will be used mightily for God

For safety as we travel. God' continued protection and provision in our lives.

For upcoming training for us and our leaders in MI

Preparations for Fall Conference- "Proclaim"

Awana Ministry Conference 2009

Mark your calendars for the Fall Conference.

When: Oct. 10, 2009 Registration opens at 8:30

Where: Rush Creek Bible, Byron Center

We will have workshops for leaders Puggles thru T&T. We will highlight Sharing the gospel in club, at home and around the world and How to Raise a Modern Day Joseph. Mark your calendars for the Fall Conference.

What Time: Oct. 10, 2009 9-3:30

Where: Rush Creek Bible, Byron Center

We will have workshops for leaders Puggles thru T&T. We will have shops for Commanders and Directors. We will offer BT for those who need that.

How does the Scholarship work for

Commander College? For commanders who bring 70% of leaders from their church to conference, \$100 will be made available from my account. For larger churches we might be able to make a deal at 10 plus leaders?

Applications will be made available at conference. We believe in Training and want to promote Commander College in our area.
